

ONE to ONE laptop scheme

In association with FreedomTech Ltd

Holmer Green Senior School is pleased to offer all students the opportunity to purchase a device through our ONE to ONE device scheme. Students can use these devices to support learning both in school and at home.

From
£21.50 per
month

We live in a world full of technology. At Holmer Green Senior School, we understand technology has its place in supporting learning and recent times have further highlighted this. Students who can use technology effectively are potentially better placed for university life and the world of work. We believe every student should have the same access to technology and to make even more productive use of it, we are aiming to ensure there is equality of access for all our students in lessons and at home. This scheme is designed to support students at our school.

We are offering the Lenovo 300w Yoga Hybrid 2-in-1 device. It's both a laptop and a tablet in one – making it versatile whatever the learning situation.

- It has an 11" screen and a sturdy keyboard.
- It's ruggedized – helping it survive the knocks and shocks of use at home and in school
- It's lightweight and compact
- Battery life should last a full day at school

Advantages of purchasing through our scheme are:

- Three flexible payment options, with no credit checks
- 3 year accidental damage, theft and warranty cover for peace of mind
- Scheme is provided to parents at cost, with no hidden figures or inflated prices
- Instructions provided in-box on how students should set up the device, so they can use it both at home and in school
- Students can install Office 365 Pro Plus – provided free of charge to all students at HGSS
- Software will be automatically installed to allow the device to be used in school and connect to our WiFi
